PROFILE

Creative, product development-focused fashion professional with experience supporting the product lifecycle from concept through production. Skilled in technical packages, CADs, PLM, sample development, trend analysis, and assortment planning. Experienced in translating consumer and market insights into commercially viable products and collaborating cross-functionally across Design, Product Development, Sales, and Production.

EDUCATION

Baylor University December 2026
Bachelor of Science, Apparel Merchandising Waco, Texas
Minor: Entrepreneurship and Corporate Innovation
Dean's List Spring 2024

WORK EXPERIENCE

Handbag Product Development & Design Intern June–August 2026
Golden Touch Group – Sasha Accessories New York, NY

- Supported the end-to-end product development process for handbags and accessories, from initial design concepts and CADs through sample development, line reviews, and production.
- Created and updated technical packages, CADs, product and packaging designs, while maintaining product information, timelines, and sample approvals within PLM.
- Collaborated cross-functionally with Design, Product Development, Sales, and Production, managing sample tracking and line review preparation to support accurate and timely product execution.

New York Bridal Fashion Week Intern April 2026
Netta BenShabu New York, NY

- Assisted with backstage operations and runway show execution during New York Bridal Fashion Week.
- Supported product presentation and collection preparation while gaining experience in merchandising, branding, and luxury bridal.

Boy's Apparel Buying Intern June–August 2025
Academy Sports + Outdoors Houston, TX

- Gained end-to-end exposure to the buying cycle, including assortment planning, trend analysis, vendor collaboration, and product lifecycle management.
- Conducted market research and business performance analysis to support strategic product decisions and identify opportunities for growth.
- Collaborated with cross-functional interns to develop and present a strategic project to Academy's Executive Committee.

Retail Associate & Media Content Marketer Summers 2022–2024
Pine Cove Staff Westminister, SC

- Managed camp store operations, inventory, and weekly shipments from multiple vendors.
- Created 250+ photos daily for the camper app and managed social media content across Instagram and Meta.

LEADERSHIP ROLES

Chi Omega Theta Kappa T-Shirt & Merchandising Chair | 2025

Designed and sourced apparel and accessories for a 300+ member chapter, coordinating with vendors and managing merchandise selection and distribution.

Baylor Transfer Mentor | 2023–2025

Advised new transfer students on navigating campus life and provided individualized academic and social support.

Greekwide Leader | 2024–2026

Led and facilitated Bible study sessions, guiding group discussions and fostering an inclusive environment.
